Judy Olson, Director
Twin Cities Show Chorus

Dear Ms. Olson:

On behalf of the Princeton Lions Club, I'm writing to thank you and your outstanding group for your presentation on October 7th.

While having little knowledge and questionable expectations, I think most of the club, and indeed, the attending public were very appreciative of the performance. I heard many positive comments at church the following morning and a number from around town since.

Few members had experienced your show prior. Those who had were very vocal and encouraging that we take on this project. We now know that their thoughts were correct. There are few words that would do justice to our experience!

So, on behalf of our Project Coordinator Carol Peterson, Club President David Thompson and, indeed our total club, I thank you and your fellow cast members for an enjoyable evening.

You might be interested in knowing that the show earned approximately \$2,900.00 in net proceeds. As you know, these funds will go to Leader Dog for the Blind, dedicated to a specific fund appeal. As the District Co-Chairman for Leader Dogs, I too thank you on behalf of the District.

Respectfully:

Dale Dunham, Secretary
Princeton Lions Club
